

FEBRUARY 21ST. PISCES, THE MOON AND HANGED MAN

With Avril Price

The Esotoracle event has coincided with the beginning of Pisces, a beautiful, dreamy, conceptually deep and spiritual sign.

Pisces rules The Moon card and Pisces is ruled by Neptune which is connected to the Hanged Man.

The Hanged Man embodies the lockdown time which we collectively have been experiencing. For many it has been a bag of mixed blessings and undoubtedly has made us think about who we are and where we are heading.

This 3-card spread will offer a contemplation about what lockdown has meant to us.

The Spread

Firstly, take out The Moon card and The Hanged Man, sit them next to each other. What are your impressions from this combo? Note down what they are including the key words.

Shuffle the rest of the deck and draw 3 cards:

1. What has 'Being Suspended' in lockdown brought to me?
2. What do I need to see more clearly from this time of 'Being Suspended'?
3. How will a new perspective shape what is to come for me?

Compare your impressions of the combo with the insights from the three cards.
